

Making Predictions about the Future

Directions: Imagine that it is the year 2050. Make predictions about each of the topics using 'will' and 'going to'. Have a conversation about each topic with your partner or group members.

1. Cell phones/communication
2. Internet
3. Education
4. Healthcare
5. Fashion
6. population of the world
7. energy prices
8. Society
9. the family
10. the economy
