

I like.....

I enjoy.....

I don't like.....

I don't enjoy.....

Cooking, shopping, cleaning, fishing, going for walks, watching movies (sports, TV), helping people, relaxing, getting up early, staying up late, hanging out with my friend, spending time with my family

on the weekend, in the evening, in the afternoon, on my day off, when I have free time

What do you like doing on your day off?

What do you not like doing?
