

Quantifiers

Quantifiers are words that precede and modify nouns. They tell us how many or how much.

The following quantifiers will work with countable nouns:

many trees
a few trees
few trees
several trees
a couple of trees
none of the trees

The following quantifiers will work with non-countable nouns:

not much dancing
a little dancing
little dancing
a bit of dancing
a good deal of dancing
a great deal of dancing
no dancing

The following quantifiers will work with both countable and non-countable nouns:

all of the trees/dancing
some trees/dancing
most of the trees/dancing
enough trees/dancing
a lot of trees/dancing
lots of trees/dancing
plenty of trees/dancing
a lack of trees/dancing
any trees/dancing
