

Reported Questions: Wonder

When we ask a question to ourselves we use wonder:

Yes/No Questions: Use 'if'.

He wondered if he was going to pass the test.

Try these:

“Will I be rich someday?”

“Can I go home early?”

“Is it going to rain tomorrow?”

“Have I been here before?”

For 'Wh' questions we have to use an embedded question.

He wondered what he would be when he grew up.

Note: the verb order is changed when you use an embedded question.

Try these:

“Where is my mom?”

“When are they going to change my diaper?”

“What time is lunch?”
